NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH IS HEREBY ACKNOWLEDGED, THE PARTIES AGREE AS FOLLOWS:

Section 1. DEFINITIONS:

As used in this Agreement, the following words and phrases shall have the following meanings:

(A) "*Franchise*" shall mean the rights and privileges granted by the City to Franchisee under the terms and provisions of this Agreement.

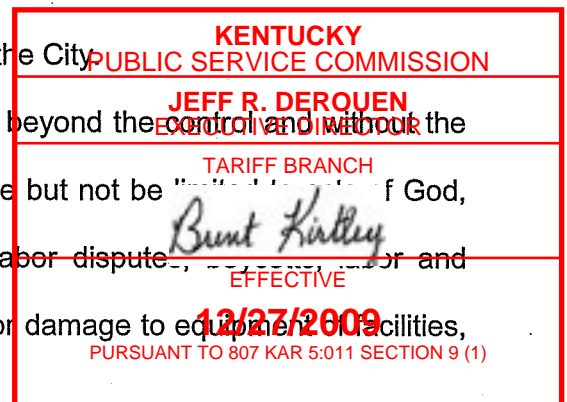

(B) "*Franchisee*" shall mean Atmos Energy Corporation.

(C) "*Public Right-of-Way*" shall mean the surface, the airspace above the surface and area below the surface of any street, highway, alley, avenue, boulevard, sidewalk, pedestrian/bicycle lane or trail, driveway, bridge, utility easement or any other public ways owned, dedicated by plat, occupied or used by the public for vehicular or pedestrian transportation or access.

(D) "*Gross Revenues*" shall mean all gross cash receipts for Kentucky Public Service Commission Regulated Natural Gas Distribution Services for domestic, commercial or industrial consumption within the corporate limits of the City.

(E) "*Gas Distribution System*" shall mean the system of works, pipes, pipelines, facilities, fixtures, apparatus, lines, machinery, equipment, structures, appliances, appurtenances or other infrastructure reasonably necessary for the storage, transportation, distribution or sale of natural, artificial or mixed gas to residential and commercial customers and the public generally, within the corporate boundaries of the City.

(F) "*Force Majeure*" shall mean any and all causes beyond the control and without the fault or negligence of Franchisee. Such causes shall include but not be limited to acts of God, acts of the public enemy, insurrections, terrorism, riots, labor dispute, and material shortages, fires, explosions, flood, breakdowns of or damage to equipment or facilities,

interruptions to transportation, embargoes, acts of military authorities, or other causes of a similar nature whether or not foreseen or foreseeable which wholly or partly prevent Franchisee from performing one or more of its obligations hereunder.

Section 2. CREATION OF FRANCHISE:

(A) There is hereby created and granted unto Franchisee a non-exclusive franchise to enter upon, acquire, construct, operate, maintain and repair in the public right-of-way of the City, a gas distribution system within the corporate boundaries of the City, subject to the provisions of this Agreement. The franchise granted hereunder shall be extended to territories that are annexed within the City upon the same terms and conditions herein, subject to the approval of the state regulatory authorities, if any such approval is required.

(B) The franchise granted to Franchisee by the City shall not be exclusive and the City reserves the right to grant a similar franchise to any other person or entity at any time. In the event the City shall grant to another person or entity during the term hereof a franchise for a gas distribution system within the corporate boundaries of the City similar to the one herein granted to Franchisee, it is agreed that the terms of any such franchise agreement shall be no more favorable to such new additional Franchisee than those terms contained in this Agreement. Additionally, it is agreed that any such new/additional Franchisee shall have no right to use any portion of the gas distribution system of this Franchisee without this Franchisee's written consent.

Section 3. TERM OF FRANCHISE:

The franchise created herein shall be for a term of five years (5) years from the date of this Agreement.

Section 4. FRANCHISEE'S RIGHTS IN AND TO PUBLIC RIGHT-OF-WAY:

The Franchisee shall have the right and privilege of constructing, erecting, laying, operating, maintaining, replacing, removing and/or repairing a gas distribution system through, along, across and under the public right-of-way within the corporate boundaries of the City, if it now exists or may hereafter be constructed or extended, subject to the inherent police powers

conferred upon or reserved unto the City and the provisions of this Agreement.

Section 5. SERVICE TO NEW AREAS. If during the term of this franchise the boundaries of the Town are expanded, the Town will promptly notify ATMOS in writing of any geographic areas annexed by the Town during the term hereof ("Annexation Notice"). Any such Annexation Notice shall be sent to ATMOS by certified mail, return receipt requested, and shall contain the effective date of the annexation, maps showing the annexed area and such other information as ATMOS may reasonably require in ascertaining whether there exist any customers of ATMOS receiving natural gas service in said annexed area. To the extent there are such ATMOS customers therein, then the gross revenues of ATMOS derived from the sale and distribution of natural gas to such customers shall become subject to the franchise fee provisions hereof effective on the first day of ATMOS' billing cycle immediately following ATMOS' receipt of the Annexation Notice. The failure by the Town to advise ATMOS in writing through proper Annexation Notice of any geographic areas which are annexed by the Town shall relieve ATMOS from any obligation to remit any franchise fees to Town based upon gross revenues derived by ATMOS from the sale and distribution of natural gas to customers within the annexed area until Town delivers an Annexation Notice to ATMOS in accordance with the terms hereof.

Section 6. OPERATION OF FRANCHISE SYSTEM; EXCAVATION OF PUBLIC RIGHT-OF-WAY:

(B) The Franchisee shall have the right to disturb, break, and excavate in the public right-of-way of the City as may be reasonable and necessary to provide the service authorized by this franchise.

(B) If the City requires the Franchisee to adapt or conform its gas distribution system or to in any way construct, reconstruct, remove, alter, relocate, adjust or change its system to enable any other person, firm, corporation or entity, whether public or private, other than the City, to utilize public right-of-way, Franchisee shall be reimbursed for all costs incurred by the Franchisee from the person, firm, Franchisee, corporation or entity requesting or required by the City to perform such change, construction, removal, repair, maintenance, alteration or relocation.

Section 8. COMPENSATION FOR USE OF PUBLIC RIGHT-OF-WAY AND CONSIDERATION FOR FRANCHISE:

In consideration for the granting and exercise of the rights and privileges created under this franchise, and in further consideration of the grant to the Franchisee of the right to make use of public right-of-way within the City, Franchisee shall pay to the City annually, during the entire life of the franchise, a sum equal to:

The franchise fee provided herein, together with any charges of the City for water, sewage and garbage services provided by the City to Franchisee, and any occupational license fees payable to the city by the Franchisee, shall constitute the only amounts for which Franchisee shall be obligated to pay to the City and shall be in lieu of any and all other costs, levies, assessments, fees or other amounts, of any kind whatsoever, that the City, currently or in the future, may charge Franchisee or assess against Franchisee's property.

Franchisee shall provide any additional workers' compensation coverage in accordance with applicable law.

(B) **Indemnification:** Franchisee shall at all times indemnify and hold harmless the City from and against any and all lawful claims for injury to any person or property by reason of Franchisee's or its employees' failure to exercise reasonable care in installing, maintaining and operating Franchisee's natural gas system within the City. Provided, none of the provisions of this paragraph shall be applicable to the extent the City, its officials, officers, employees, contractors, or agents, were negligent and such negligence was the sole or contributing factor in bringing about the damages sued upon. That is to say, any judgment or costs of defense, including attorney fees, provided for above shall be apportioned between the City and
